is a survey and basic operation of the systems and components of a building which can be reached, entered, or viewed without difficulty, moving obstructions, or requiring any action which may result in damage to the property or personal injury to the Inspector. The purpose of the inspection is to provide the Client with information regarding the general condition of the building(s). Inspector will prepare and provide Client a written report for the sole use and benefit of Client. The written report shall document any material defects discovered in the building(s) systems and components which, in the opinion of the Inspector, are safety hazards, are not functioning properly or appear to be at the end of their normal service life. The inspection shall be performed in accordance with the Standards of Practice of the California Real Estate Inspection Association (CREIA), http://www.creia.org/creia-standards-of-practice.html and incorporated herein by reference, and is limited to those items specified herein. CLIENT'S DUTY: Client agrees to read the entire written report when it is received and promptly call Inspector with any questions or concerns regarding the inspection or the written report. The written report shall be the final and exclusive findings of Inspector. Client acknowledges that Inspector is a generalist and that further investigation of a reported condition by an appropriate specialist may provide additional information which can affect Client's purchase decision. Client agrees to obtain further evaluation of reported conditions before removing any investigation contingency and prior to the close of the transaction. In the event Client becomes aware of a reportable condition which was not reported by Inspector's designated representative(s) to inspect said condition(s) prior to making any repair, alteration, or replacement. Client agrees that any failure to so notify Inspector and allow inspection is a material breach of this Agreement.	o legal action or proceeding of any kind, including those sounding in tort or contract, an be commenced against Inspector/Inspection Company or its officers, agents, or mployees more than one year from the date Client discovers, or through the exercise
